Vancouver

Vancouver, on Canada's West Coast, is one of the world's most beautiful cities.

With its mild climate and stunning location between the North Shore Mountains and the Pacific Ocean, Vancouver offers the perfect blend of natural beauty, year-round outdoor activities and urban excitement. For spectacular scenery, cycle or stroll the seawall and take in the stunning beauty of Stanley Park or relax at one of Vancouver's many beaches. You can wander through historic Gastown, hike or snowboard the trails of Grouse Mountain or shop at one of our downtown malls....In Vancouver you can do it all!

- * Over 2 million inhabitants (Greater Vancouver)
- * Host to the 2010 Winter Olympic Games
- * World's most livable city (The Economist 2011)
- * Over 1,298 hectares of parks and 18 kilometers of beaches
- * 3-hour drive to Seattle, Washington (USA)
- * 1.5-hour drive to Whistler Mountain Resort
- * 10.5-hour drive to the Rocky Mountains (Banff National Park)

Eurocentres Vancouver

Conveniently located in the heart of the business district, Eurocentres Vancouver is a fully-equipped modern facility only a few minutes away from an abundance of shops, restaurants and all major transit services. Our Vancouver facilities include large, bright classrooms, a Learning Centre, a Computer Lab, a rooftop courtyard and a student lounge equipped with additional computers, vending machines and a games table.

Activities & Excursions

Vancouver is perfect for outdoor activities with plentiful parks, beaches and hiking trails in every corner of the city. With an active cultural community, sporting activities, parties, exciting nightclubs, fine restaurants, professional football, sightseeing, NHL Hockey, museums, theatres, weekend excursions and ski trips, Vancouver offers so much and more! Excursions include the world famous and breathtaking peaks of Whistler (site of the 2010 Winter Olympic Alpine and Nordic events), Victoria / Vancouver Island, the Rocky Mountains, Seattle (USA), whitewater rafting, salmon fishing and whale watching.

Toronto

Toronto is the fifth-largest city in North America and the heart of Canada's business and cultural life.

This inviting, cosmopolitan city offers everything that a world class city should: culturally diverse neighborhoods offering cuisine from around the world, exciting nightlife and major sporting events with exceptional art, music and cultural opportunities. Stroll along the Lake Ontario waterfront, explore Yonge Street (the world's longest street), shop at one of the huge shopping malls or attend the Toronto International Film Festival. In addition, spacious parks, wonderful beaches and an excellent public transit system all make Toronto a model city.

- * Over 5 million inhabitants (Greater Toronto)
- * World's tenth-most economically powerful city (Forbes)
- * 1.5-hour drive to Niagara Falls
- * 5-hour drive to Montreal, Quebec
- * 8-hour drive to New York City, New York (USA)
- * Home to seven major league sports teams, fifty ballet and dance companies, six opera companies, two symphony orchestras and a host of theatres

Eurocentres Toronto

Conveniently located in Toronto's entertainment district, close to the CN Tower and Rogers Centre, Eurocentres Toronto is only a short walk from an abundance of shops, restaurants, theatres, night clubs, live music venues and all major transit services. The Toronto facilities include large, comfortable classrooms with interactive white boards, a Learning Centre, a student computer room and a student lounge equipped with additional computers, vending machines and games tables.

Activities & Excursions

With a variety of exciting year-round activities, Toronto offers many options for everyone. Enjoy city tours, world-famous musicals, boat cruises, concerts, clubbing, museums, professional sporting events such as hockey, baseball, basketball and football, Much Music, the Hockey Hall of Fame and the CN Tower. Excursions include Niagara Falls (one of the wonders of the natural world), the unspoiled nature of Algonquin Park, Canada's Wonderland, Montreal, Quebec City, Chicago, New York City and Washington DC.

The Eurocentres Success System

Structure of Eurocentres Success System

The innovative Eurocentres Success System has been developed over the last 60 years. Eurocentres is a leader in the field of foreign language training and is frequently consulted by the European Council on matters related to language development. Eurocentres is focused at all times on language learning success. Our longstanding experience has shown that the greatest progress is made when students are supported individually and given feedback regarding their strengths and weaknesses. In today's heavily specialized world, we recognize that it is also important to focus attention on their specific personal, academic and business needs.

We know that in order for you to reach your goals, you need to have flexible choices and support from teachers and counselors in choosing your best options. The Eurocentres Success System was created as a result of our vast experience and dedication to excellence. It is based on a personalized and specialized approach. Our personalized approach provides individual attention and support. Our specialized approach allows you to focus on areas important to you.

Personalization

All Eurocentres Canada students receive close individual attention, including:

- * Level test including a personal interview upon arrival
- * Personal feedback about entry test and recommendations for self-study
- * Small class sizes (max. 14 students)
- * Continuous monitoring of learning progress and diagnostic feedback
- * One-to-one counseling (learning goals discussed weekly)
- * Weekly tests, revision lessons and self-study recommendations
- * 2 lessons per week in Learning Centre/Computer Lab
- * Continuous checks to ensure student support and satisfaction (First, Mid-course and Final Week Questionnaires & weekly check-ins)
- * Optional Study Club for personalized and focused attention on individual learning needs
- * Final Certificate accurately describing language ability in all areas

Specialization

The Basic (Core Program) Course is offered in the morning, where we focus on laying a solid foundation in Language Development (grammar, vocabulary, idioms, pronunciation) and English Skills (listening, reading, writing and speaking). As there are many areas to be covered in a language, you can choose optional subjects in the afternoon such as:

- * Exam Preparation: Cambridge, TOEFL, IELTS, TOEIC
- * Business English
- * Academic Writing & Speaking
- * General English Language Activation (Fluency)

Guidance and support are provided should you need advice in choosing Electives for specific purposes. In addition you can opt for one of a number of specialized programs to meet your specific academic or career goals.

- * Work Study or Internship Programs
- * University Pathway Program
- * Premier and Academic Premier Courses

University Success (Pathway) Program

This program provides a solid foundation in English Language for Academic Purposes in order to prepare you for study at one of our partner Post-Secondary Institutions. You will have 48, 36, 24 or 12 weeks of English language training (Specialized Super-Intensive Course) in which you will learn and develop your English and academic skills and be provided with the tools needed for success in a Canadian university or college. From beginning to end, our Pathway Coordinator will be there to provide information, support, guidance and counseling.

Upon successful completion of your English course, you will have met the English language requirements for a variety of partner Canadian universities and colleges, eliminating the need for an institutional exam (i.e. IELTS, TOEFL, etc.).

During the post-secondary portion of your program, you will have the opportunity to study at one of our partner post-secondary institutions where you will work towards earning a certificate, undergraduate degree or post-graduate degree in one of a variety of academic disciplines. For further information about our Pathways Programs, please request a copy of our University Pathway Program Brochure.

Co-op Programs

Language Co-op (Paid) Program – General Language Practicum

This program helps students improve their English and gain valuable paid work experience. Students will have the opportunity to both expand their language and career horizons and improve their chances in the job market of their home country. From coaching during the English portion of the course, to the orientation they receive before their Language Co-op, we take care in placing students with a Language Co-op that is right for them. Students enrolling in the Language Co-op (Paid) Program will have 12, 16, 24 or 32 weeks of English language training in our Specialized Intensive or Super-Intensive Course followed by a paid work experience of equal length. During the work portion of the program students will be placed in unskilled/entry-level positions within the service industry (retail, restaurants, café, etc). Work placement may include (sample list):

- * Room Attendant
- * Barista
- * Retail Salesperson
- * Store Clerk
- * Host / Hostess
- * Delivery Person
- * Food & Beverage Server
- * Line Cook

Language Co-op (Unpaid) Program – Specialized Language Practicum

This program is the ideal formula for students to improve their linguistic ability while simultaneously gaining new professional work experience. Students taking the Language Co-op (Unpaid) Program get a sense of the international business environment, get to know professional colleagues from Canada, expand language and career horizons and improve chances in the job market. From resumé writing and interview coaching to setting up interviews at the end of the

language course, we take care in placing you in a skilled/professional work placement that is right for you. Students enrolling in the Language Co-op (Unpaid) Program will have 4 - 24 weeks of English language training in our Basic, Specialized Intensive or Super-Intensive Course followed by an unpaid internship of equal length. Popular internship fields include business, tourism, hospitality, marketing and banking. Internship placement may include (sample list):

- * Commerce
- * Tourism
- * Information Technology
- * Hospitality
- * Non-Profit Organizations
- * Office
- * Retail
- * Import / Export

Business English Diploma

The Eurocentres Canada Business English Diploma is awarded to students who complete the Language Co-op (Paid) Program, the Language Co-op (Unpaid) Program or the Specialized Intensive or Super-Intensive Course with the Business English elective option for a minimum of 12 weeks. Students earning the Eurocentres Canada Business English Diploma will have the necessary Business English skills to compete in today's increasingly competitive global workplace.

Accommodation

Homestay, residence and other accommodation options are offered through our unparalleled Accommodations Program. All host families and residences have been carefully inspected and are monitored on an on-going basis by our on-site Accommodations Coordinators to guarantee students a positive experience wherever they choose to stay.

Homestay

Qualified and welcoming families provide students with private rooms, a place to study and the experience of living with a Canadian family. Students have the option of full or half board. We adhere to a policy of one student per language per home. All of our host families have been carefully selected and counselled on welcoming international students into their families. We carefully monitor our homestay program to guarantee that all students have positive experiences and during the first week of school alone, we check in with students on three occasions to ensure that they are happy with their family.

Residences

With at least two options in each city, residences allow

students to enjoy independent living conveniently located close to their school. In Toronto, students may choose from The Primrose Hotel and The Canadiana. Vancouver students may choose from the YWCA and the Buchan Hotel.

Other Accommodation arrangements

Hotels, bed & breakfasts, apartments or other accommodation arrangements can be made upon request.

Airport Transfers

Trained airport staff provide a warm welcome when you arrive at Vancouver or Toronto airport. The airport staff will ensure your safe transfer to your Canadian home. Airport drop-off is also available to ensure a comfortable and worry-free trip to the airport.

Other Programs & Services

Group Programs

We have extensive experience in creating programs to meet the special needs of particular groups. These programs can be custom designed and can vary in duration and content to suit each individual group. We can create youth groups, high school and university exchange programs, as well as programs for business people or executives. A full range of exciting activities and excursions, including some of Canada's top sightseeing destinations (Niagara Falls, Whistler Resort, Victoria) can be included with any group program as well as a choice of accommodation types. These programs are designed to develop basic English skills with a practical emphasis, as well as to develop cultural awareness. This enables participants to understand and appreciate all aspects of Canadian life while improving their language ability.

Junior Programs

For information on our On-Campus Summer and Off-Season Programs, please refer to the 2014 ISIS Junior brochures.

Study Club, Self-Study, Conversation Club

Study Club is a chance for students to work with their peers on homework or on the study materials freely available in the Learning Centre together with a teacher. Conversation Club is a free component of our Social Program and a fantastic opportunity for students to practice their speaking and listening while engaging in discussions about current events and other topics.

Learning Centre

Our Learning Centres are quiet environments for students to improve their skills and enrich their cultural experiences. Each school has a range of multi-media materials that students can use and a lending library ideal for those who wish to study at home. The Learning Centre is also equipped with self-study worksheets (free for students) and other materials to help students enhance their studies.

Transfer Between Schools

With sufficient notice, students can transfer between the Eurocentres Canada schools. Courses will be transferred on a pro-rata basis for an equivalent course. Transfers are subject to course availability and an administrative change fee. If homestay is also needed, students will be required to pay an additional accommodation placement fee.

Counselling

Counselling, including multi-lingual services, is available to help students with any aspect of their program and stay.

Eurocentres Canada

Eurocentres Vancouver and Eurocentres Toronto are owned and operated by ISIS Education.

Application Procedures

All information related to your application to study at a Eurocentres Canada school can be found on our website at www.languagecanada.com.

Medical Insurance

StudentGuard medical insurance can be purchased through Eurocentres Canada at the time of registration or upon arrival. All students must have adequate medical coverage for their study period.

Computer Lab

With computer labs in both of our downtown campuses, we offer the latest technology for all language abilities pre-loaded on our systems. CALL (Computer Assisted Language Learning) lessons form part of the curriculum and the computer lab is integrated into our self-study plans. Computers can also be used for homework and research projects, email, as well as test preparation. Additional email computers are also available in our student lounges. Wireless Internet is available at both Toronto and Vancouver campuses.

Courses Abroad

Eurocentres Canada offers 'language courses abroad' in 7 different languages at 13 Eurocentres locations worldwide: Switzerland, France, Germany, Spain, Italy, Russia, Japan and China.
