

The Eurocentres Charter

A promise to our clients:

We do everything we can to offer you a successful and enjoyable course. We set ourselves high standards that are regularly checked by independent inspectors.

We give you a clear and detailed description of our services with:

- Clear specification in the brochure of the number and duration of lessons and the maximum number of students per class
- A detailed curriculum framework based on the Eurocentres Scale of Language Proficiency
- Weekly lesson plans posted in your classrooms with suggestions for independent study

Our courses are focused on effective learning in a friendly and relaxed atmosphere with:

- An enthusiastic, qualified teaching team with one lead teacher who is responsible for the overall course plan
- A balanced course with opportunities for developing active speaking skills
- Regular graded homework assignments

Regular assessment and feedback on progress with:

- An accurate placement test to place you in a class where you can learn efficiently
- Progress tests and assessment activities during the course, with feedback to help you study effectively
- An evaluation for a final certificate based on the Eurocentres Scale of Proficiency and stating your overall level of proficiency and your competence in speaking, listening, reading, writing and vocabulary.

Your school is a friendly, functional place for learning with:

- Well-equipped, comfortable and pleasant classrooms
- A multi-media Learning Centre with print materials, audio, video and computer facilities
- Social areas to meet and relax
- Refreshments and snacks available in the school

At Eurocentres we provide you with a carefully selected "home away from home" including:

- A comfortable bedroom
- A quiet, well-lit place to study
- Breakfast and an evening meal, providing a varied and balanced diet (a bag lunch included with full-board)
- Facilities for a daily bath or shower
- Opportunities to meet and talk with your hosts
